6 Nov 1985

National Intelligence Council

NOTE FOR: *Bot*
~~CHAIRMAN, NIC~~

FROM: David W. Einsel, Jr.
NIO/AL

Attached are the proposed talking points for
you presentation to Senate Foreign Relations
Committee, now scheduled for 2:00 p.m., 8 Nov.

These same notes should be appropriate for the
presentation to the House Foreign Affairs
Committee, now scheduled for 9:30 a.m., 13 Nov.

Copies have been provided to Don Fortier, NSC
and Mort Abramowitz, State.

Don suggested two inserts which have been
included. I see no problem with them.

I will be with you to answer
back up questions.

The McCurdy briefing went well.
